WINEMAKERS CHOICE

Welschriesling 2017

Winemaker's Comment

Wine of an golden yellow colour with a complex aroma that is dominated by the scent of citruses and ripe pear with a light touch of roasted walnuts. Its juicy taste is full of fruit notes with a Granny Smith apple and sweet nectarine accent. Bold trace of spiciness and minerals can be felt in the aftertaste.

Vineyard

Grapes that are used to make the Winemakers Choice Welschriesling come exclusively from our vineyard. Climate development of 2017 vintage can be characterised as exceptional due to sufficient number of sunny days and dry autumn that allowed for grapes to mature freely and therefore, mirror the character of the variety and vineyard itself. Low yield pruning and lower density, i.e. intentional reduction of the yield, are typical for the system of growing. All the agro-technical operations are adjusted to this fact.

Cellar

After an extremely quick transport, thanks to the closeness of the vineyards, destemming and gentle crushing, the mash is macerated for 15 hours. After gentle pressing and cold settling, the juice is inoculated with selected yeasts and then followed by cold fermentation. The wine then ages for eight months on the lees.

Recommended Serving

At the temperature 10 – 11 °C with grilled trout with almond crust and chicory salad.
