WINEMAKERS CHOICE

Welschriesling 2016

Winemaker's Comment

The limited edition of the Winemakers Choice wines is a unique experience for the taste buds as well as the eyes. It is tailored by our hearts, offering wines that are special to us, and so we believe they will appease you, too.

Vineyard

Grapes for production of the Welschriesling Winemakers Choice comes solely from our vineyard. Spring frost of 2016 vintage were handled by this variety, with its better resistance to lower temperatures, with ease. The September hot temperatures were not ideal for growing, but colder nights compensated for them and enriched the grapes with an ideal concentration of flavours. System of growing is typical for its low yield pruning and lower burdening, i.e. regulated reduction of produce, to which all the agro-technical procedures are accustomed.

Cellar

After an extremely quick transport, thanks to the closeness of the vineyards, destemming and gentle crushing, the mash undergo at least 15 hours of skincontact. Upon gentle pressing and cold settling, the juice is fermented with selected wine yeasts at low temperatures. The wine then ages for eight months on the lees.

Recommended Serving

At 10 – 11 degrees Celsius with poultry roll.
