SPARKLING

Sauvignon Blanc 2016

Winemaker's Comment

Wine of light yellow-greenish colour. The aroma has a soft herbal-fruit character of a ripe gooseberry and white currant with a hint of herbs. The taste is fresh and fruity. The dominating aspects of citrus fruits and a ripe sweet gooseberry are enhanced by a soft but colourful sparkling.

Vineyard

2016 vintage was very good for Sauvignon despite its late spring frosts and September's higher day temperatures. Grapes come from a favourite Pribeta area from local cooperative and from a smaller part from our own vineyard.

Cellar

Upon quick transport from the vineyards an even quicker processing takes place. The grapes are collected into small 20 kilogram crates, destemmed, crushed and pressed in a high-tech pneumatic press, which provides for a gentle pressing. The juice is subsequently settled for 48 hours and fermented at low monitored temperatures. Then blending takes place. Sauvignon from our vineyards is combined with Sauvignon from Pribeta to achieve its higher intensity. At the end, the wine is gently induced with carbon dioxide, which creates a gentle and refreshing sparkling.

Recommended Serving

At 9 – 10 degrees Celsius with seafood with lemon.
